Stiff Arm AutoNation Cure Bowl Traffic with Florida 511

Stay updated on Orlando traffic from FDOT before your game day commute

TALLAHASSEE — Football fans traveling with their teams and Florida drivers dodging game-day traffic should plan ahead for bowl season with the [Florida 511 Traveler Information System](#) from the Florida Department of Transportation (FDOT).

Florida 511 is the pregame and postgame transportation MVP providing real-time traffic information around Camping World Stadium, as the University of Central Florida Knights take on the Arkansas State University Red Wolves Saturday, December 17 at 5:30 p.m.

Commuters can learn of incidents and congestion by checking the Florida 511 mobile app, which can be downloaded free on [Google Play](#) and the [Apple App Store](#). Drivers can also check Florida 511 Twitter feeds including [@FL511_CENTRAL](#), [@FL_511_I4](#), [@FL511_TURNPIKE](#) and [@FL511_I75](#).

There are four convenient ways for motorists to receive traffic updates:

- Visit [FL511.com](#) for an interactive map displaying current traffic, travel and congestion information.
- Sign up for a My Florida 511 personalized services account at [FL511.com](#) to create custom routes and register for email or text alerts.
- Call 511 toll-free from anywhere in Florida for real-time traffic updates.
- Follow one or more of the 13 statewide, regional or roadway-specific [Twitter](#) feeds ([#FL511](#)).

FDOT encourages everyone to check Florida 511 to know before you go and arrive safely and on time. Check Florida 511 before driving or have a passenger check to avoid using a phone while driving.
