

FLORIDA 511 PHONE SYSTEM

Call 511 Toll-free

For traffic information on a Florida 511-covered roadway, say:

- » **Traffic**
- » **Highway** (I-75, I-4, I-95, etc.)
- » **City** (Orlando, Tampa, Miami, etc.)
- » **County** (Orange, Broward, Leon, etc.)

The system will report incidents, crashes, construction, congestion or closures for the roadway you request. You can then choose a different roadway or return to the Main Menu.

Say "Transfer my call" to be transferred to:

- » Public Transit
- » Airports
- » Seaports
- » Commuter Services
- » Other 511 Systems
- » Florida's Turnpike
- » Sunpass Toll System

You can say the agency you want to be connected with or you can hear a list of agencies in the system.

A toll-free service of the Florida Department of Transportation. Standard mobile phone minute, text message and data charges may apply.
