

READY FOR SOME TRAVEL FUN IN THE SUNSHINE STATE?

Before heading on the road,
be sure to Connect, Know
and Go with FL511, Florida's
official source for real-time
traffic info!

Log onto **FL511.com** and enjoy these benefits:

- Allows drivers to make **better choices** about travel plans on Florida's roads.
- Helps keep traffic moving **safely and efficiently**.
- Covers all **interstates, toll roads, and several state and U.S. routes in Florida**.
- Provides information on **congestion, crashes, construction, lane closures, severe weather, and maintenance activities**

The **FL511.com** website is a component of the **Florida 511 Advanced Traveler Information System (FL511)** which provides traffic information 24/7 on Florida's roads. The goal is to increase safety and reduce travel time on Florida's roads and highways.

FLORIDA
511
